

Lunch Ordering Process: Before vs After

Tatay (food vendor) → office employees · Current manual flow vs proposed Lark form flow

Tatay (vendor) Employee HR Lark / System

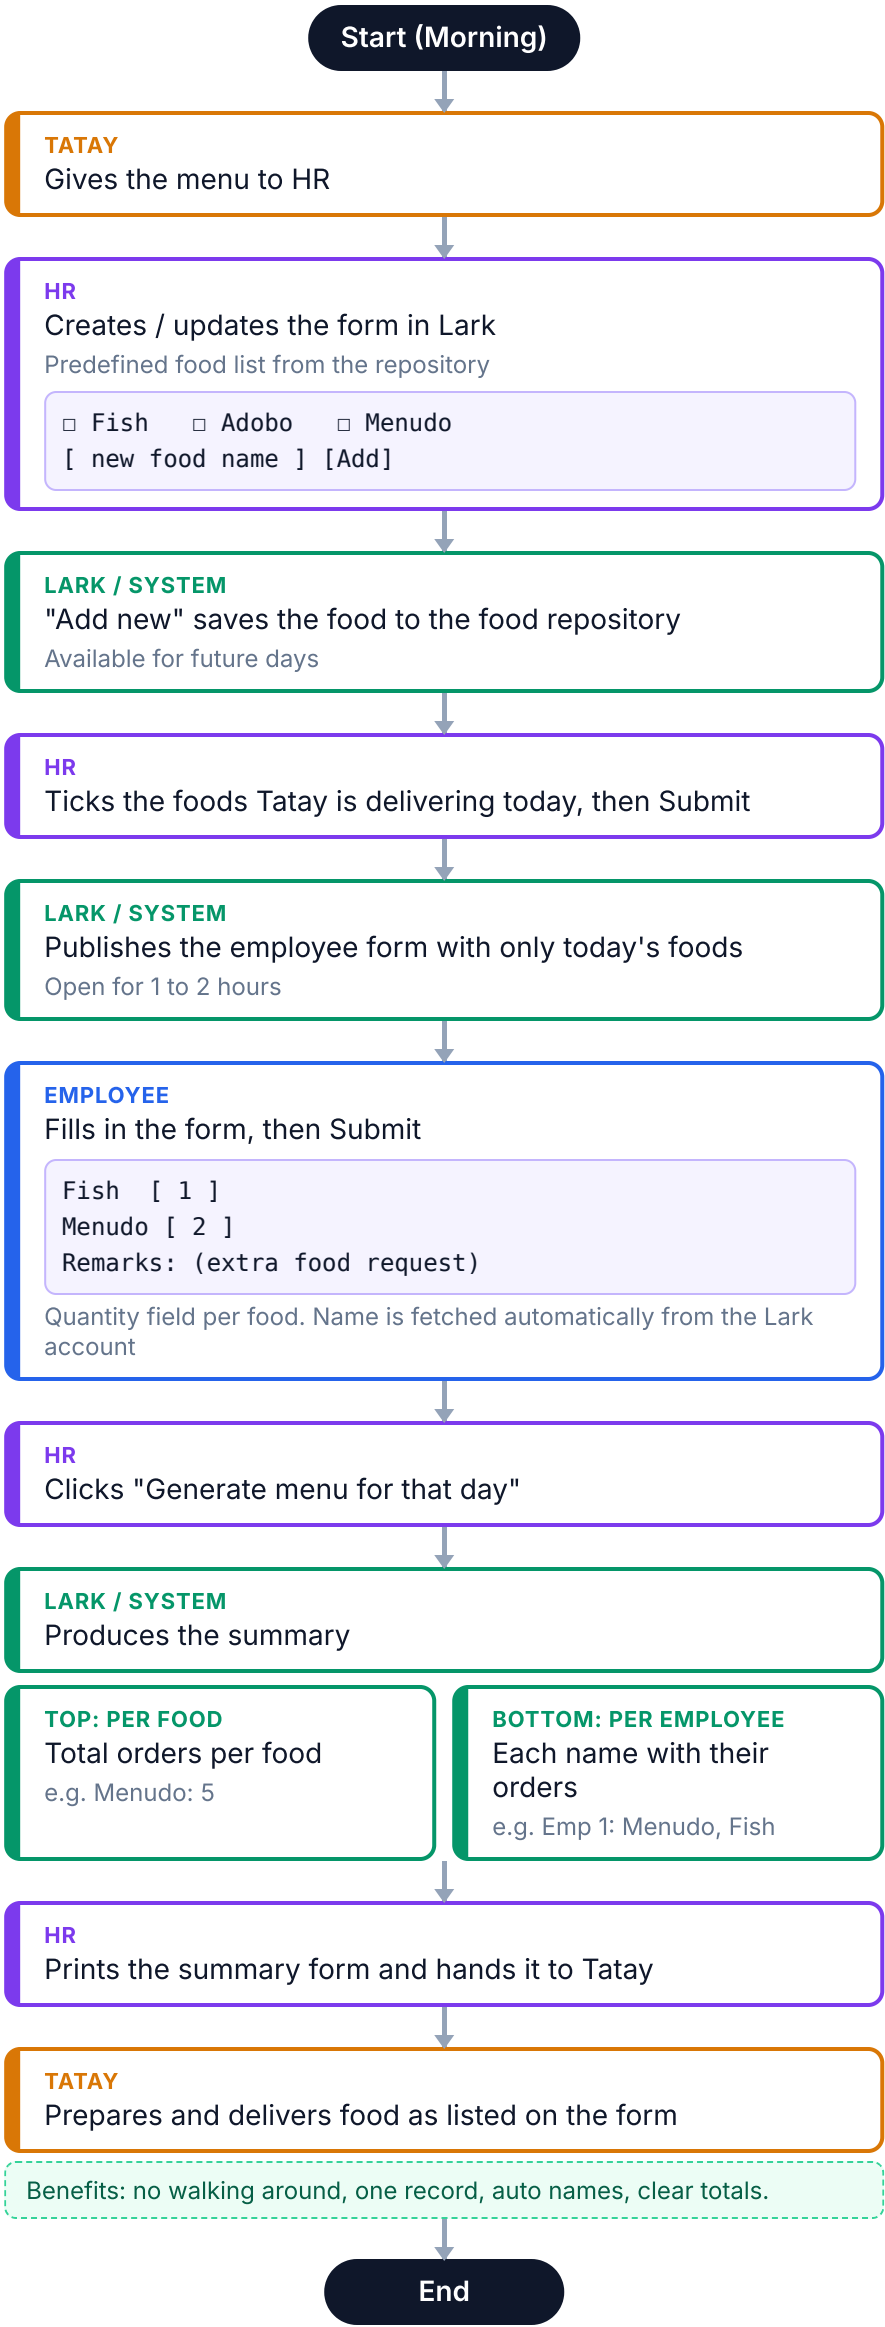

BEFORE: Current Process (Manual)

Tatay walks department to department

AFTER: New Process (Lark Form)

HR collects orders digitally; Tatay only reads a printout

Summary of Changes

Aspect	Before	After
Order taking	Tatay visits every department	Employees submit a Lark form
Menu	Handwritten by Tatay	HR maintains a food repository, ticks the foods for the day
Extra requests	Told verbally	Remarks field on the form
Quantity	Verbal	Quantity input per food
Employee identity	Written by hand	Fetched automatically from Lark
Totals	Counted by Tatay	Auto summary per food and per employee
Hand-off to Tatay	Tatay holds his own notes	HR prints the summary for Tatay
