

OFFICE LUNCH IS CHANGING!

# LUNCH ORDER BEFORE & AFTER

From walking & shouting to one easy Lark form

## BEFORE

### THE OLD WAY

Tatay writes the menu by hand

Walks to every department

Employees tell their orders by voice, extras too

Tatay notes every order and name

Comes back at lunch time

Packages labeled with names

VS

## AFTER

### THE NEW WAY

Tatay gives the menu to HR

HR builds the Lark form, "Add new" saves new foods

HR ticks today's foods, then Submit

Employees enter quantity, extras in Remarks

HR generates totals per food and per employee

HR prints the list for Tatay

Tatay delivers as listed

No more door-to-door

One clear record

Names filled in automatically

Totals counted for you

EASY FOR EVERYONE!

ALL DEPARTMENTS WELCOME!
